

## City of East Bethel

### Small Business Emergency Grant Application

**Program Information:** All grants awarded are for the purpose of working capital and intended to replace cash flow used for operating costs that existed at the time of the peacetime emergency declaration made through Executive Order 20-01. Such costs may include current payroll obligations, lease or mortgage payments, utilities, accounts payable, and other critical business expenses that can't be paid as a direct result of the current health emergency. This program is subject to applicable state and local peacetime emergency executive orders.

**Objectives:** The objective of the COVID-19 Emergency Grant Program is to deploy a local pool of funds to support local small businesses and non-profits in order to ensure viability as they move past the COVID-19 pandemic and seek to re-open or return to pre-pandemic operations. This may be accomplished by some or all of the following means:

- Provide needed finances to small businesses and non-profits within the community which have been negatively affected financially as a direct result of the COVID-19 pandemic;
- Ensure the viability of East Bethel businesses and non-profits moving past this crisis;
- Limiting the number of job losses as a direct result of the pandemic by assisting small businesses and non-profits in returning to their pre-pandemic employment levels;
- Limiting the number of small businesses and non-profits which would potentially permanently close due to COVID-19 pandemic impacts. Thereby also limiting the total number of potential vacancies in key commercial and industrial areas of the City.

**Eligibility Notes:** All applicants must be eligible businesses with physical operations located in the City of East Bethel that have been operating long enough to demonstrate financial viability. Applicants must demonstrate that they were directly and adversely affected by the COVID-19 related peacetime emergency Executive Orders 20-04 and 20-08, including being in an industry specifically named by those executive orders.

**Please review and complete entire application prior to submittal. Please review COVID-19 Emergency Grant Program Policy prior to completion of the application. As part of this application you will find Minnesota State Statute §13.591, some data that was originally considered private would become public information if awarded a grant.**
