

East Bethel Candidate Profile

Candidate Name: Sherry Allenspach

Office Sought: City Council Member

Bio:

We have been residents of East Bethel for 17 years and for 15 of those years I have volunteered on the Park Board, the EDA (Economic Development Authority) and the Planning Commission, which I currently serve on. These volunteer positions have given me the opportunity to look at issues in East Bethel from different points of view. They have also given me the opportunity to work with other volunteers, staff and to meet residents of the City that I may not have met otherwise. I have also been an active volunteer at Our Saviour's Lutheran Church, having served on the church council and volunteering on various committees.

I have a good understanding of how city government works and I know that the city and other governmental agencies must work together to make things work for the residents. I look forward to the opportunity to work with School Board members, County Commissioners, and State leaders on issues that impact East Bethel.

I believe that I am a good listener and do my homework before each Planning Commission meeting. I will continue to do this as a member of your City Council. I ask questions even if I think I know the answer to make sure that everyone understands both sides of an issue and the impact the action will have. I have always tried to vote based on facts and not because someone else is voting for or against an issue.

I ask for your vote on November 3, 2020.
