

East Bethel Candidate Profile

Candidate Name: Jim Smith

Office Sought: City Council Member

Bio:

Hello, East Bethel residents. My name is Jim Smith and I have decided to run for City Council.

I have been to several council meetings over the past couple of years and I am seeing things that I do not agree with. I am seeing that the City has accumulated a lot of debt and that is not good. One example is the City sewer and water situation and that needs to be addressed. I am thinking the only way to improve things for the City of East Bethel is to get involved and that is what I am planning to do when I am elected to the City Council.

I also am concerned with wasteful spending that has to stop so our city can prosper and grow. We need to attract more businesses and good businesses so we can create new jobs and good paying jobs so our city can grow.

I want to keep our taxes affordable in our city. I will also be a voice for the residents of East Bethel. Our residents have rights and should be able to speak their mind about any issues at any time. I feel there has to be common sense when making decisions for the residents and the City of East Bethel.

I will work hard and to the best that I can for the residents and the City of East Bethel and also for the businesses that we have in our City of East Bethel.

If you want change, vote for me. If you want things to stay the same, vote for the same.

I am asking for your vote in this election on November 3, 2020.

Thank you.
